

Hall lunch in the summer marquee

From Monday 27 June until Thursday 21 July, members' daily lunch in Hall will be served in the summer marquee in the Walks! The service and prices [1] remain the same.

The summer marquee also includes the Garden Room [2] restaurant which is open to the public Monday to Friday, 12:00 - 14:30 and offers fresh and seasonal dishes which change on a weekly basis. Due to its popularity last year, advance bookings [2] are recommended.
